**Acknowledgment Statement**

I, the undersigned employee, acknowledge that I have received, read, and understood the company's Information Security Policies and Procedures. I agree to adhere to these policies and understand that failure to comply may result in disciplinary action, up to and including termination of my employment.

I further acknowledge and agree to the following:

1. I am responsible for safeguarding company assets, systems, and data in accordance with the policies outlined.
2. I will not share my credentials or allow unauthorized access to company systems.
3. I will report any security incidents or policy violations to the designated security officer immediately.
4. I understand that the company may monitor my use of its systems to ensure compliance with these policies.
5. I will complete any required training sessions related to information security and compliance.

By signing this acknowledgment, I confirm my commitment to maintaining the confidentiality, integrity, and availability of company information.
